Student Code of Behaviour

- The Code of Behaviour is to be observed by all students. The Code itself should be positive and consistent with the objectives of the Tour and with the age and level of maturity of the students involved.
- a) The Principal/Deputy Principal will meet with the students prior to departure and outline the Code of Behaviour as follows:
- b) Students must adhere to the school rules at all times where they are applicable.
- c) Students must adhere to the Tour dress code as set down by the Tour Leader.
- d) Students must follow the rules of the hotel, hostel or other type of accommodation where they are staying.
- e) Students must be well behaved on public and/or private transport while on tour.
- f) Students are responsible for leaving seats on all forms of transport in a tidy condition.
- g) Students are responsible for leaving their bedrooms tidy.

Sanctions on Tour

Should a student be guilty of minor misbehaviour, the incident should be dealt with in a swift and firm manner and a verbal warning may be all that is needed. The Tour Leader may however feel that specific sanctions are required such as:

- a) The student missing a half-day's activities (not however an activity related to health and safety).
- b) The student missing out on a specific activity e.g. bowling.
- c) The student missing an evening activity e.g. movie
If a sanction is being imposed it must be made clear to the student why it is being imposed.
- d) A student prevented from attending an activity must be supervised by at least 2 members of the Tour Team for the duration of the activity.

Further sanctions may be imposed when the student returns to school e.g. the student may be banned from involvement in future tours.

Serious Misbehaviour

- Where a student is guilty of 'serious misbehaviour' the Tour Leader may decide to phone the student's parents/guardians to provide them with details of the incident/s. In ongoing and extreme cases of dangerous and/or gross misbehaviour a student may be sent home.
- In the event of this happening, the parents/guardians will be informed and if necessary arrangements made for the offending student to travel home in line with Child Protection Guidelines at the expense of the parent.
- In the case of a serious/criminal incident (shop lifting, a violent attack etc.) the parents/guardians will be informed immediately and the matter will be handed over to the local police authorities.
- Incidents of serious misbehaviour must be reported to the Principal/Deputy Principal on return to school.

Examples of 'serious misbehaviour' include:

- a) Use/possession of alcohol.
- b) Use/possession of illegal substances (drugs etc.)
- c) Use/possession of cigarettes and electronic cigarettes (vapes).
- d) Misuse of legal substances (lighter fluid, tippex etc.)
- e) Disruptive behaviour on coach, plane, boat or in the hotel/hostel.
- f) Lack of respect for accommodation rules.
- g) Lack of respect for Tour Team or any other supervising adults.
- h) Theft or criminal damage to property of others.
- i) This list is for examples only and is not exhaustive

If a boy is found in a girls room or vice versa, it will be considered serious misbehaviour.
